

Maritime Training Courses

RAK Ports Marine Training Institute now offers training in the following:

STCW Basic Safety

Mandatory training for all seafarers, this 6-day course covers all the requirements of the STCW 2010 A-VI/1 and A-VI/6.

The modules are:

- Personal Safety and Social Responsibilities
- Personal Survival
- Fire Prevention and Fire Fighting
- First Aid
- Maritime Security

Vessels up to 12m Skipper

Mandatory training for everyone who owns or captains a vessel up to 12m. This 2-day course covers all the theory and practical training requirements needed to apply for the UAE marine craft driver's license.

Modules include:

- Boats/Vessels and personal Watercraft
- Safety and Emergency at Sea
- Navigation
- Basic Seamanship

International Maritime Dangerous Goods (IMDG)

The 3-day IMDG course gives students an overview of the IMDG code and is essential for everyone who is involved in the transportation of dangerous goods by sea.

Modules include:

- Regulatory applicability and international conventions
- Classification and Identification
- Packaging requirements
- Marking, Labeling and Placarding
- Vessels and CTU consignments (segregation and stowage)
