

RAK Ports Training Institute now offers the following training course:

Fire Warden

This 5 hour course is for staff nominated to maintain the fire safety precautions in their workplace and assist others to evacuate safely.

This course will help fire wardens understand their role and responsibilities in fire prevention and safety and ensure they are aware of the fire risks associated with their place of work and how they are managed.

The course covers:

- *Role and responsibilities*
- *Principles and causes of fire*
- *Classes of fire and fire extinguishers*
- *Fire risk assessments and safety procedures*
- *Emergency evacuation*

RAK Ports certification will be given upon successful completion of the training course valid for 3 years.

To enquire about course fees or to know more about the training and certification process and to see how we can help, please contact RAK Ports Training Institute on the following numbers or e-mail:
