

NOTICE TO MARINERS

No. 09 – 22nd June 2019

Sub: SPM Operation at Hulaylah Oil Loading Terminal

Ref: BA Chart 3174

Mariners are advised that MV Malbec will carry out a loading operation from the Single Point Mooring (SPM) at Hulaylah Oil Loading Terminal (25° 58.500"N 055° 56.250"E) located 6 NM offshore from Saqr Port Breakwater. The loading operation scheduled to commence on 24 June and is expected to take approximately 24 hours. An exclusion zone of 500m radius around the vessel and SPM will be in place whilst the vessel is in position.

Floating hoses will be deployed between ship and SPM and will be fixed with adequate lights during darkness.

All Mariners are to be aware of SPM Operation and are requested to exercise caution while transiting this area:

- All vessels/crafts/fishing boats to keep clear of the above exclusion zone, proceed with minimum speed and navigate with caution.
- Maintain constant listening watch on VHF Channel **16 / 73**.
- All movements should be co-ordinated with Saqr Port Control.
