**PORT & CARGO TARIFF
SAQR PORT & RAK MARITIME CITY FZA**

GENERAL TERMS AND CONDITIONS

The below conditions (statutory basis for charges) and definitions shall form an integral part of the Port & Cargo Tariff. All activities undertaken and services provided by the port, and charging provisions are in accordance with applicable regulations and shall continue to apply except where varied from time to time by the Port Management.

1. STATUTORY BASIS FOR CHARGES

THE PORT TO RAISE CHARGES

The port to charge “ship, passenger, cargo and other dues” as considered “fit” is vested in the board of Saqr Port by the Ras Al Khaimah (RAK) Ports Act No. 9 of 2008.

THE POWER TO COLLECT CHARGES RAISED

By virtue of the RAK Ports Act No. (9) of 2008 the Saqr Port may recover rates payable to them in respect of a ship by distraint and sale of the ship and its tackle and in respect of any goods by distraint and sale either of those goods or any other goods held on harbour premises belonging to the persons liable for payment of the dues.

PAYMENT TERMS

Payment due within 30 days of the date of demand/invoice unless otherwise indicated. Thereafter interest will be charged at 2% per month PRO-RATA. The Port reserves the right to demand full payment prior to departure.

CHANGES TO TARIFF

Saqr Port reserves the right to alter/modify the above tariff giving a notice period of 7 days only.

VALUE ADDED TAX

All rates and charges contained within this tariff and any additional charges made by the Port are listed exclusive of Value Added Tax (VAT). VAT will be added as per the Federal Decree-Law No (8) of 2017 on Value Added Tax, and under the associated Executive Regulations, as applicable.

CURRENT EDITION AND VALIDITY:

Current Port & Cargo Tariff edition is a new version and replaces and updates the previous SP Port Tariff revision No. 14 and will apply from 19th August 2020.

2. DEFINITIONS

AVERAGE LOAD/DISCHARGE RATE: Calculated from the time cargo loading/discharge operations commence to the time cargo operations cease divided by the amount of cargo loaded.

CARGO CHARGES: CONSOLIDATED RATE: Rate per ton for the loading or discharging of commodities listed in table 1 which is inclusive of the following equipment and services:

- Initial and final draft survey
- Loading of trucks used for cargo movement from stockyard to berth (Export)
- Shovels used for pushing on the berth
- Charges for MHC loading (excludes any crane delays)
- Berth cleaning and Deflectors
- Forklift (for deflector placement)
- Operations staff overtime
- Truck access and egress charges
- Loading of trucks for cargo movement from the berth to customers site (Imports)

Excluded costs are typically:

- Loading/discharge delays.
- Hatch cleaning
- Trucking cost from stockyard to berth / from quarry to port
- Storage area charge
- Shovel used for loading from stockyard to customer site (Imports)
- Marine Charges
- Cargo Lashing
- Mobile Dock Loaders
- Cargo returned from berth to stockyard
- Shovels used for stockyard management
- Intermediate Draft Surveys.

The above list is not exhaustive and is provided for indication purposes only, excluded items are at the sole discretion of the Port Manager.

CARGO CHARGES: NON-CONSOLIDATED RATE: The non-consolidated rate will apply in circumstances where the consolidated rate cannot be applied and will exclude any port equipment, services, stevedoring and overtime etc.

CHARGES PER HOUR OR PART THEREOF: defined as follows - if services are used for 1 hour and 15 minutes, the charge levied will be for 2.0 hours.

PORT & CARGO TARIFF
SAQR PORT & RAK MARITIME CITY FZA

CURRENCY: All charges and rates mentioned in this schedule of charges are payable in United Arab Emirates Dirhams.

DAY: A calendar day consisting of 24 continuous hours commencing at midnight.

FREE FLOWING CARGO: For bulk solid products, those that do not exceed their angle of repose during discharge operations.

FREIGHT TON (FRT): Assessed by a weight of tonne, 1,000 kilo's or a measure of one cubic meter, whichever is greater.

GROSS TONNAGE (GT): (GT) of a vessel as recorded in the valid National or International Tonnage Certificate, issued by a vessel's national administration or classification society on behalf of the national administration. Where a vessel or craft has a dual GT, then the higher figure applies.

LOA: Length Overall

POA: Price on Application.

PTPD: Per Ton Per Day.

SAQR PORT: Port located at latitude 25° 58' N, Longitude 056° 03' E, close to western approaches to the Strait of Hormuz. Saqr Port has twelve berths within its Inner Harbour and two deep-water berths outside the breakwater. The area includes the waters within the port limits and anchorages as detailed in Law 10 of 2017 amending Law 9 of 2008 concerning RAK Ports. Saqr Port incorporate RAK Maritime City Free Zone (RMCFZ).

STEVEDORING SERVICES: All Stevedoring services are to be booked and provided through the Cargo Department. No third-party stevedoring services allowed, unless agreed by Port Manager.

'STICKY' CARGO: For bulk solid products, classed as those products that exceed their angle of repose during discharge operations or cargo that by virtue of consistency reduces the discharge rates normally achievable. A product may be classified as sticky cargo by the Port Management whose decision is final.

STOCK YARDS: Internal stockyards are located within the ISPS "Restricted" boundary, whilst External stockyards are located outside the boundary and require Customs Clearance prior to storage of import cargo.

VESSEL: means barges, boats, tugs, launches or any other mechanised or non-mechanised floating craft.
