

NOTICE TO MARINERS

No. 23 – 8th September 2020

Subject: Environmental Baseline Survey

Ref : BA Chart 3404, 3174

Please be notified WKC Environmental Consultants will be conducting an environmental baseline survey near RAK Maritime City approaches on 13 & 14th Sep 2020. The survey includes water and sediment quality, marine ecology and drop down video (DDV) surveys.

Survey will be undertaken using the Saqr Port patrol vessel "Hanna 1" and samples will be collected from various locations in the approaches to RAK Maritime City as per the attached. Time on station in each position is estimated to be 30 minutes.

An advance notice will be given to all mariners by RMC Port Control on VHF Channel 16 & 69.

Thus, during the period of survey, all Mariners advised proceed with minimum speed and navigate with caution while passing in the vicinity.

Capt. Michael Magee

Group Harbour Master, RAK Ports
