

NOTICE TO MARINERS

No. 18 – 5 September 2023

Sub: Saqr Port's Deep Water Berth Outage

Amendment – Revised and extended Date for Berth Outage

(This notice amends NtM No.17 of 2023 as the ongoing fender replacement work is likely to be extended into next week. Therefore, NtM No.17 of 2023 is hereby cancelled).

Ref: Saqr Port Deep Water Berths 14, 15, 16

Please be informed that the revised and extended date for carrying out fender changes on the Deep-Water Berths of Saqr Port is between 4th and 16th September 2023. During this period, we are taking out one berth at a time, thus reducing it to one berth operation during this period.

If Agents require any other information in this regard, please contact the Port Operations Team.

Capt. Justin Adams
Marine Services Manager
