

NOTICE TO MARINERS

No. 04 – 20th March 2024

Sub: Maintenance Dredging at Saqr Port

Ref : BA Chart 3174, 3404

Please be notified that ***TSHD De Laperouse (IMO 9462603)*** scheduled to conduct maintenance dredging at the Saqr Port Channel entrance and Berth#05 on 25th Mar 2024. Dredging is weather dependent and subject to delay.

The main activity of the operation consists of :

- Maintenance dredging at SP Channel entrance.
- Maintenance dredging at Berth 5.
- Disposal of dredged material at the RMC reclamation area.

Saqr Port VTS will monitor dredging operations to ensure navigational safety in the access channel, Berth and at the disposal location.

Mariners are advised to exercise extreme caution and maintain minimum speed while navigating within the vicinity.

1. All vessels/crafts proceed with minimum safe speed and navigate with caution.
2. Keep well clear of above dredging equipment.
3. Maintain constant listening watch on VHF Channel 16 and 14.

Capt. Michael Magee
Group Harbour Master
