

# **Agents Notification**

No. 01 of 2025 –14<sup>th</sup> May 2025

**Sub: Prior Consent Required for Vessel Calls at RMC Shin Yang Facility**

**To: RAK Ports Marine Agents  
Ship Owners, Managers and Operators**

Please be advised that all vessels scheduled to call at the **Shin Yang** facility must obtain prior consent from RAK Maritime City (RMC) before entering the port. This requirement aligns with RAK Ports policy mandating that all third-party activities at Shin Yang be reviewed and approved in advance.

**No third-party operations may commence without formal approval from RAK Ports.** This measure ensures compliance with operational protocols and site management controls. To avoid delays, we strongly recommend that vessels do not depart from their point of origin until the necessary clearance has been granted.

For approvals, please contact: **Mr. Fawzi Bustami** - [fbustami@rakports.ae](mailto:fbustami@rakports.ae)

Thank you for your cooperation.

**Capt. Michael Magee**

Group Harbour Master RAK Ports
