No. 03 of 2025 – 24th May 2025

Sub: Bulk Liquid Cargo Management Guidelines – Now Published

**To: RAK Ports Marine Agents
Oil Terminal Operators
Ship Owners, Managers and Operators**

Please be informed that RAK Ports has published the **Bulk Liquid Cargo Management Guidelines**, detailing mandatory requirements for the safe handling and transport of bulk liquid dangerous cargoes within its jurisdiction.

The guidelines are available under ‘**Legislation**’ in the **Marine** section of the RAK Ports website:
<https://rakports.ae/marine/>

All agents, oil terminal operators, and relevant stakeholders must comply with the provisions set out in this document.

The **Safety Department** will conduct inspections as necessary and manage approvals for bunkering, permits to work, and dangerous goods port entry, ensuring compliance with RAK Ports’ safety standards.
