

Sub: Publication of Amended Directions and New SOP

**To: RAK Ports Marine Agents
Oil Terminal Operators
Ship Owners, Managers and Operators**

The following documents have been updated or newly issued to enhance navigational safety and operational efficiency across RAK Ports. They are available under the 'Marine' section of the RAK Ports website.

1. Pilotage Directions – Amended

Updates and clarifies the scope of compulsory pilotage, applicable exemptions, and defined responsibilities for Masters, Bridge Teams, Pilots, and PEC holders.

Link: [Pilotage-Directions.pdf](#)

2. Ruling Depth & Under Keel Clearances – Amended

Revises under keel clearance parameters and updates details based on the latest hydrographic survey data for all port locations.

Link: [RDUKC.pdf](#)

3. Safe Operating Procedure – Tug and Tow Operations – Newly Issued

Establishes standardised procedures for towage planning, execution, and emergency response protocols.

Link: [SOP for Tug and Tow Operations \(V1.0\)](#)

All shipping agents are requested to:

- Disseminate this notice to vessel Masters, operators, and relevant personnel.
- Ensure full compliance with the amended Directions and newly issued SOP.
- Access the latest versions via: www.rakports.ae/marine
