

# NOTICE TO MARINERS

No. 19 – 28<sup>th</sup> November 2025

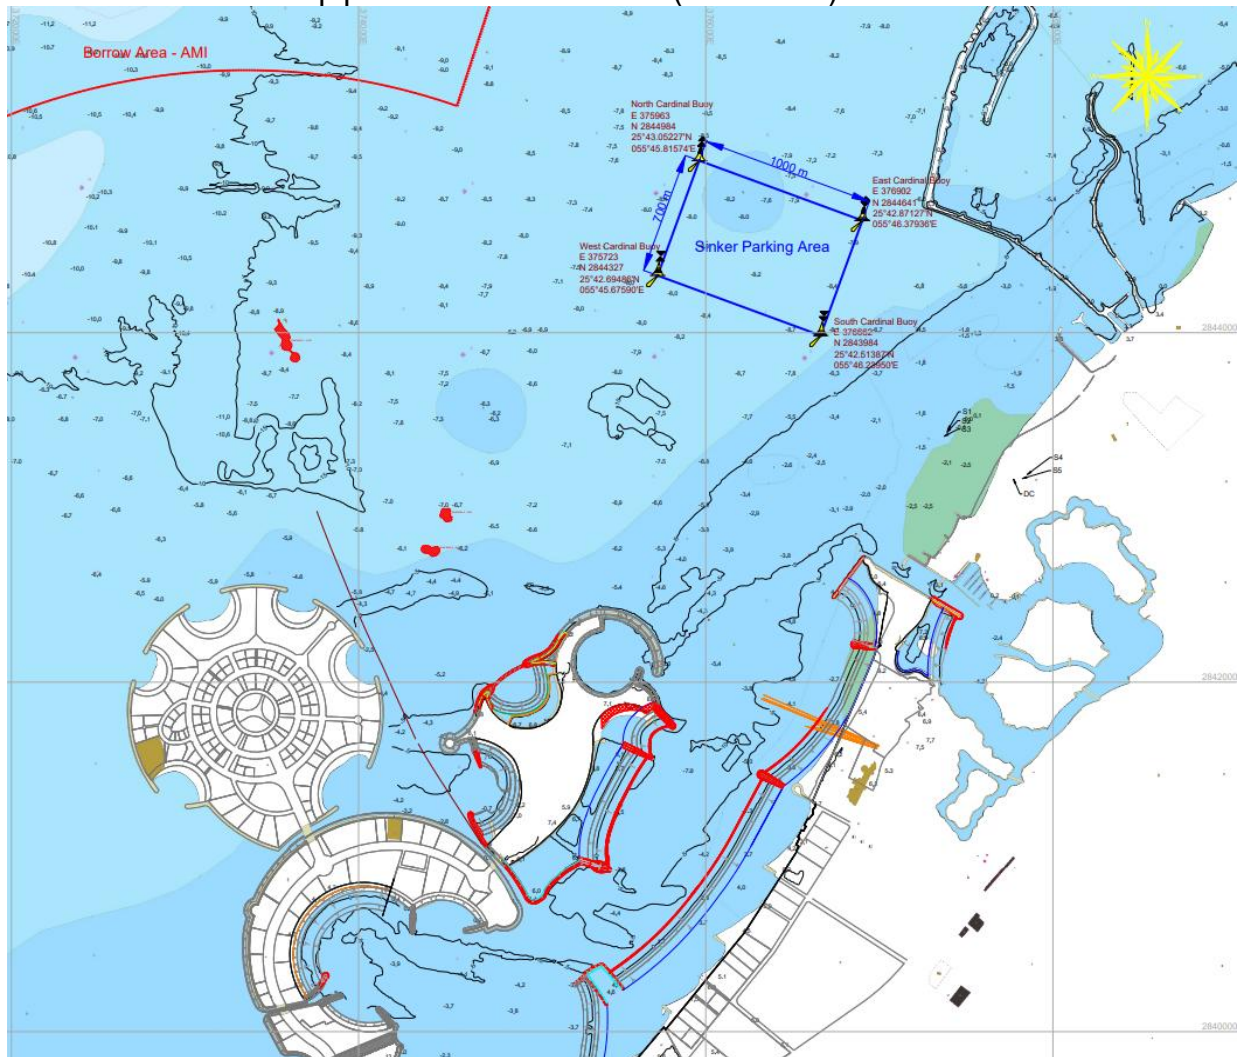

*This Notice to Mariners has been issued on behalf of M/s. Van Oord Middle East Ltd.*

## **Sub: Demobilisation of Wet Storage of Sinker Pipelines**

Ref : BA Chart 3174, NtM No. 17 of 10<sup>th</sup> Nov 2025

Mariners are hereby informed that M/s. *Van Oord Middle East Limited* scheduled to commence the refloating and relocation of four (04) submerged sinker pipelines as of 29<sup>th</sup> November 2025. These pipelines will be transferred to an alternative area outside the Emirates of Ras Al Khaimah. The activities will be carried out in two campaigns, with a total estimated duration of approximately 21 days.

Current location of sinker pipelines marked in blue (see below)

During above period, all vessels navigating within vicinity are advised to exercise extreme caution and comply with temporary navigation instructions issued during the demobilisation period.

Upon completion of the relocation works, all previously parked sinker pipelines will have been removed. Subsequently, the cardinal buoys will be dismantled and the restricted draft area will be reopened to all mariners.
