

# **Agents Notification**

No. 03 of 2026 – 6 May 2026

**Sub: Operational Status of RAK Ports and Anchorages**

**To: RAK Ports Marine and Cargo Agents  
Vessel Masters, Ship Owners, and Operators**

Please be advised that all RAK Ports facilities and associated anchorages are operating as normal. Port and anchorage operations continue without restriction, and all services remain fully available.

For any routine enquiries, agents are welcome to contact the RAK Ports Marine Team directly.

Vessels may also continue to contact Vessel Traffic Services (VTS) at any time via VHF, mobile, or landline, in line with standard operating procedures.

The RAK Ports Marine Department remains available to assist as required.

## **VTS Contact details**
