

Agents Notification

No. 06 of 2026 – 18 May 2026

Sub: P&I Insurance from Maritime Mutual Insurance Association (NZ) Ltd

**To: RAK Ports Marine and Cargo Agents
Vessel Masters, Ship Owners, and Operators**

Please be advised that RAK Ports will no longer accept vessels entering its ports or anchorages that are insured by Maritime Mutual Insurance Association (NZ) Ltd.

Accordingly, any vessel holding insurance documentation issued by Maritime Mutual Insurance Association (NZ) Ltd is to be considered effectively uninsured. This presents significant risks, including:

- Lack of cover in the event of accidents, collisions, or damage
- Inability to meet P&I (Protection & Indemnity) liability obligations
- Potential legal and financial exposure in the event of detention or compensation claims

If a vessel is found to be insured with this Association, the Master and/or shipowner must be notified without delay and required to provide valid alternative insurance cover.

Your cooperation is essential to maintaining maritime safety standards and ensuring full compliance with the insurance requirements applicable at RAK Ports and within the United Arab Emirates.

Capt. Michael Magee

Group Harbour Master RAK Ports
